

Included in this book are several beautiful pictures of the Van Cortlandt Jewish Center!

Inspired by his own heritage and dedicated to the Holocaust survivors he met on his journeys, Michael Weinstein gives readers a tour of 180 beautiful synagogues throughout the boroughs of New York City. For two years, Michael's desire to learn as much as he could moved him to visit synagogues in the Bronx, Brooklyn, Manhattan, Queens and Staten Island. This coffee table book's 613 photos represent each of the mitzvot, or commandments, of Judaism in the Torah. Michael shares the dates that these stunning synagogues were founded as well as their names, including their English translations. Enjoy the journey this photo book will take you on through some of New York City's most historic and lovely synagogues.
